

CORONA VIRUS

HOW TO BUY FOOD TO TAKE AWAY

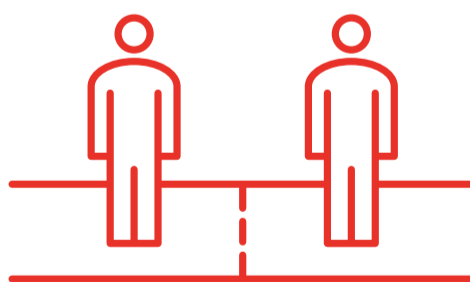

1. Before entering the premises, check if there are any external areas reserved to pick up the order and go there following the safety measures established by the premises. If you need to go in, follow the instructions to ensure your safety and ours.

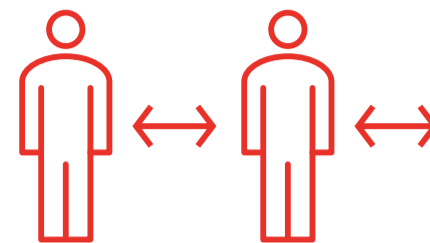

2. Use the space provided and marked to collect your order.

3. If more people are waiting, stand in the take away queue and keep a safe distance.

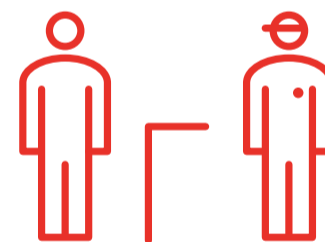

4. Respect the safety distance with other customers who are inside the premises.

5. For your safety, we sanitize our pick-up collection point between customer and customer.

6. Our staff will keep the safety distance at all times so you can pick up your order safely.

7. If possible, pay by electronic means.
