14 November 2006

Congress Center Messe Frankfurt
Frankfurt am Main

CEIOPS

Committee of European
Insurance and Occupational
Pensions Supervisors

INVITATION

Dear Ladies and Gentlemen,

The Committee of European Insurance and Occupational Pensions Supervisors (CEIOPS) is pleased to invite you to the »CEIOPS Conference 2006« which will take place on 14 November 2006 in Frankfurt am Main.

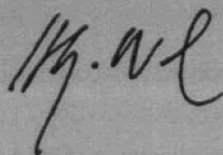

Building on the achievements of our 2005 Conference, CEIOPS intends to continue its open dialogue in line with the Lamfalussy process, through public consideration of CEIOPS' achievements to date and stakeholders' views on the future development of its role, tools and plans.

The prime purpose of CEIOPS Conference 2006 is to increase the transparency of CEIOPS' work and progress and to strengthen communications with the industry and all interested parties in order to help us react better to stakeholders' demands.

The conference will again host high-level speakers, offering the benefit of their expertise. The main topics for discussion will be covered in four panel sessions and will relate to the progress of the Solvency II Project, the implementation of Pension Funds' supervisory regime, the management and supervision of operational risk, and the enhancement of consumer protection.

Time will again be reserved for questions and inter-active discussion which can continue informally between presentations, together with personal networking.

We would be pleased if you could join us again in Frankfurt on this second occasion.

Henrik Bjerre-Nielsen
Chairman, CEIOPS
