

CORONA VIRUS

HOW TO ORDER FOOD AT HOME

1.

If you want order from us to take away, we offer products that can arrive **safely and with adequate hygiene conditions.**

2.

Place your order in advance. Our delivery times may be slightly longer than usual as we we have to prepare everything safely for you to enjoy your meal with peace of mind.

3.

When delivered, we will avoid direct physical contact The person delivering will let you know he/she is arriving and will leave your order in closed bags, always respecting the safety distance.

4.

Our delivery person will be wearing a mask and has followed the necessary hygiene measures regarding washing hands to safely deliver your order.
