# Terrorism 2004

*“They should prepare...their coffins, hospitals and graves. The coming days will be full of surprises and great events which will make them a historic example”*

Al-Qaida “spokesman”, Abu Mohammed al-Ablaj

*“It is only a matter of time before a terrorist launches a chemical, biological or nuclear attack on a Western City”*

Eliza Manningham-Buller, Head of MI5

*“We are still chasing the Americans and their allies everywhere, even in their homeland”*

Alleged tape of Al Qaida leader Ayman al-Zawahri

*“Canada has played a significant role as a base for both transnational criminal activity and terrorist activity”*

Library of Congress report

# What is Terrorism in 2004

## Definition of Terrorism

- ‘an act of terrorism means an act, including the use of force or violence, of any person or group(s) of persons, whether acting alone or on behalf of or in connection with any organisation(s), committed for political, religious or ideological purposes including the intention to influence any government and/or to put the public in fear for such purposes’.

# The Terrorism Landscape is Complex
